## Wiki While You Work!

The FLDRS Region 3 Center Technology Specialists and Local Assistive Technology Specialists have been getting together the last few years to collaborate and create resources for the students, parents, and education professionals we support. Via our wikis we are now able to share these resources around the world!

Below is a list of all of the wiki addresses and a description of the resources available on each one.

**Thematic Visual Supports**  
[fdlrsregion3thematicvisuals.wikispaces.com](http://fdlrsregion3thematicvisuals.wikispaces.com)—50 pre-school/early elementary themed visual supports related to holidays, animals, basic concepts, seasons, and popular books. Files include vocabulary sets, matching games, snack and art activities, and manipulatives.

**Curriculum Visual Supports**  
[fdlrsregion3curriculumvisuals.wikispaces.com](http://fdlrsregion3curriculumvisuals.wikispaces.com)—visual supports for older students featuring biomes, natural disasters, and health & safety. Files include

symbolated books, bingo games, and word wall words.

**Literacy Visual Supports**  
[fdlrsregion3literacyvisuals.wikispaces.com](http://fdlrsregion3literacyvisuals.wikispaces.com)—word families, science/math vocabulary, flap books, antonyms, homophones, and more. Files include word wall words, vocabulary sets, and manual communication boards/device overlays.

Some of the Region 3 "collaborators".

**More Visual Supports**  
[fdlrsregion3morevisuals.wikispaces.com](http://fdlrsregion3morevisuals.wikispaces.com)—more visual supports created for literacy and curriculum

areas—story book manipulatives, flap books, word families, vocabulary lists, and alternative writing activities just to name a few!

**Dynamic Display Page Sets**  
[fdlrsregion3dynamicdisplaypages.wikispaces.com](http://fdlrsregion3dynamicdisplaypages.wikispaces.com)—screenshots of dynamic display AAC device pages (SpringBoard, PalmTop, Dynavox, ChatPC) that can be printed, laminated, and used for manual communication boards and backup systems.

**Video Tutorials**  
[fdlrsregion3videotutorials.wikispaces.com](http://fdlrsregion3videotutorials.wikispaces.com)—helpful videos covering topics such as Boardmaker Tips and Tricks, Microsoft Word features, and Windows Accessibility. Additional resources are provided to help you create your own video tutorials.
