# Tools for Assessment

- Monthly Check Points – now electronic!
- Profiles – great for IEP Goal Building
- Teacher Rights – resources and tools
- Administrative Rights – progress monitoring
- Drop and Add Students

# Check Point Data

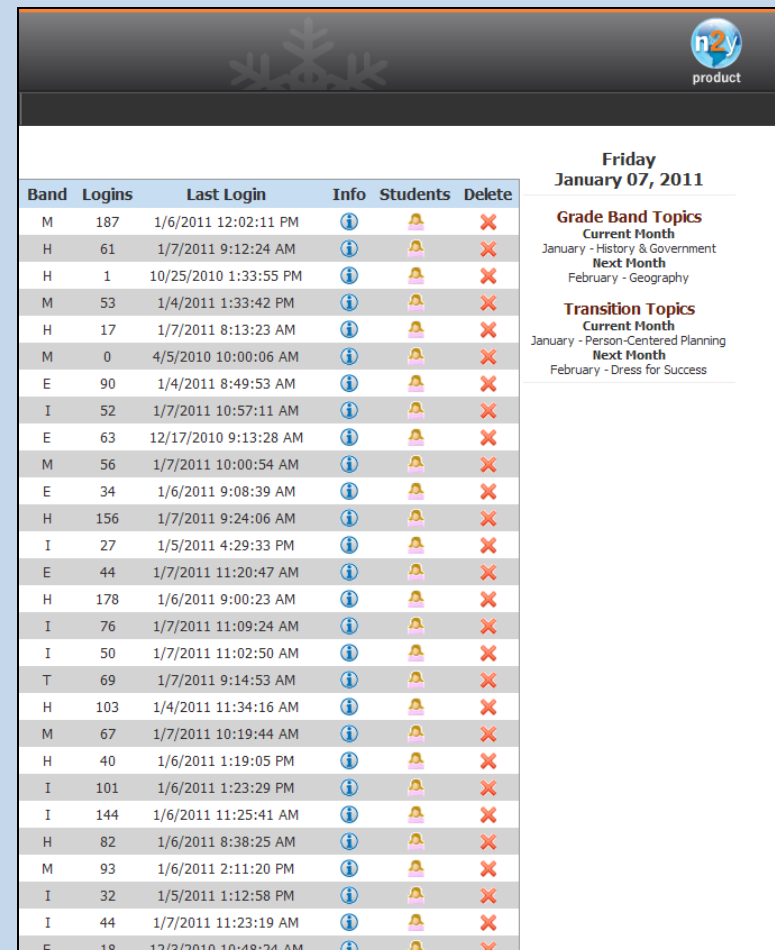

Classrooms teachers are required to enter pre and post test data in for the monthly check points.

# Progress Monitoring

- Designated person in our department makes sure all students have data entered for monthly checkpoints.
- Reminders are sent out for those who have not entered data.
- Administrator of Unique can see log ins for teachers to monitor their online use of the curriculum.

# Administrators View

- Can see the band the teachers is using at a glance.
  - Shows how many times the teachers has logged in.
  - Can see the students and their info such as profile and checkpoints.
- \*\* Administrators can change the bands of students but you do loose their checkpoint data from previous band.
