### **Current AEM Status**

- 1. Do you have students who are actively using accessible materials? Definitely have students who SHOULD be using AEM. Don't know if it is consistently implemented. Don't know what people know about AEM either.*

2. *What types of disabilities materials are being used? We know what is available, but we don't know if it is being used as it should be. Primarily for vision and SLD.*
3. *Where do the instructional materials come from? Teacher-made, Learning Ally, FIMC*
4. *Do you have and can you pull AEM data from IEPs? Not at this time-using state plan (PEER) Is it in there?*
